UICOM-P’s Social Events Committee is charged with organizing activities that foster interaction and camaraderie between medical students and medical faculty and staff members. Through careful planning and the generous support of the community, the Committee’s social occasions strive to become fund-raising occasions as well. Proceeds are applied to scholarships and educational travel grants for medical students. The star of the Social Event Committee’s calendar is the annual “SnowBall,” a dinner, dance and silent auction held in February or early March. The committee also helps organize an annual student awards dinner held on the Thursday before convocation, and a Peoria Chiefs baseball outing each August.
