RE: **Parking Information: OSF- Register before June 24, 2011 at 12pm**

Please note the following information about parking at UICOMP and at OSF Saint Francis Medical Center.

### **UICOMP**

UICOMP Parking cards that you purchased last year will operate the parking gates until mid-July, 2011. After that time, your parking card must be replaced. Be sure to bring your parking card with you to Orientation, to replace it or return it.

Parking cards for the UICOMP parking lot are available to M3's and M4's at a reduced rate. They may be obtained in Purchasing at an annual cost of \$40.00. Some students decide that purchasing tokens to park in the visitor lot (free in, \$1 out) is more economical. Parking tokens may be obtained from the Cashier in Accounting in quantities of 20 at a cost of \$20.00.

### **OSF ST. FRANCIS MEDICAL CENTER**

Effective June 1, 2011, students will need to complete a registration form and turn it in to Mickey Lockhart, of OSF Parking, to get an OSF parking hang-tag. Mickey's office is located in Security on the main level of the Glen Oak Building across from the Gift Shop. His phone number is 655-2483, and his office hours are Monday through Friday, 7:00 a.m.-3:00 p.m.

Please print and complete the OSF Parking registration form and give it to Mickey so you can get a parking hang-tag. *You will also need to provide your UICOMP I-card and license number.* The cost for medical student parking is \$10.00 per month. You can pay several months at a time, or month by month. If you do the latter, you will have to get the tag updated monthly.

**The designated parking area at OSF for medical students is MediPark II, levels 1 through 4 only. You *must not* park in spaces designated for "Medical Professionals" or for "Patients and Visitors," or in other lots. If you do, you are likely to get a ticket!**
