

### **VISITING MEDICAL STUDENTS**

Applying through VSAS

Office of Academic Affairs Box 1649 {One Illini Drive} Peoria, Illinois 61656-1649 {61605}

Medical students from other medical schools who are in their final year may participate in fourth-year electives at the University of Illinois College of Medicine at Peoria. Eligible students may apply for a maximum of 8 weeks of elective experience at UICOM-P. Please review our website at <a href="https://www.peoria.medicine.uic.edu">www.peoria.medicine.uic.edu</a> > Students Tab > Visiting Students for the electives catalog, calendar, and other information. The electives offered by each department are located under the department's section in the Electives Catalog.

There is no application fee from UICOM-P for students from domestic schools to enroll in electives at the University of Illinois College of Medicine at Peoria. Cafeteria meals are available at no cost when enrolled in an elective at OSF Saint Francis Medical Center.

We are not able to offer housing to our visiting students at this time. Upon request, a list of optional housing can be forwarded to the visiting student. Be aware that the housing information has been gathered from various sources that have used them in the past, and is provided only for the convenience of the visiting student – UICOMP has no other information about these housing options and has no affiliation with them.

No student will be assured placement prior to UICOM-P receiving all application components.

**<u>ELIGIBILITY</u>**: In order to apply for a fourth-year elective at the University of Illinois College of Medicine at Peoria, visiting medical students must:

- Be in their final year of medical school at the start of the requesting elective.
- Attend one of the following: (1) medical schools accredited by LCME (Liaison Committee on Medical Education), (2) medical schools accredited by AOA (American Osteopathic Association), or (3) international medical schools with an affiliation agreement with the University of Illinois.
- Be in good academic standing at the start of the elective.
- Complete all core clerkships prior to the start of the elective.
- Complete prerequisites (or equivalent) listed for the desired course prior to participating in the elective.

#### THE UNIVERSITY OF ILLINOIS COLLEGE OF MEDICINE AT PEORIA OFFERS:

Peoria

- Two major teaching hospitals: Unity Point Methodist and OSF Saint Francis Medical Center, with state-of-the-art technology and a 75+ year tradition of medical education.
- An extensive network of ambulatory centers and clinics.

Chicago

• Strong undergraduate and graduate medical education with approximately 150 medical students (M2, M3, M4), 11 residency programs, and 7 fellowships with more than 279 residents and fellows.

The College of Medicine, its undergraduate teaching programs, and its residencies are proud to be part of a dynamic and sophisticated downstate medical center. We are pleased to learn of your interest in Peoria. Please let us know of your interests and if you have any questions.
