## *Class Act Nomination*

**We would like to recognize Yvonne Meyer for a class act nomination:**

Thank you, Yvonne, for going above and beyond in assisting a patient's mother who was under the impression that her child would be undergoing surgery and having an extended hospital stay. You set aside what you were working on and made a follow-up appointment for the patient, and then assisted walking the patient and family to the Milestone building to wait for their ride as the Easter Seals building would be closing soon. Thank you for being a huge help to this family and for putting the patient first! ~ Jenny Johannes and Amy Zimmerman

**A kind, encouraging word goes a long way.** Your CSEC is all about supporting the people we work with. Has a special co-worker helped with a project or done something special that made your day? Let them know! Nominate your "Class Act" and recognize their contribution with a statement of appreciation by sending it to Stephanie [slhull@uic.edu](mailto:slhull@uic.edu) for publication in this newsletter. Your co-worker will also receive a certificate sent on your behalf.

## WHO'S WHO IN THE CSEC

### Meet Stephanie Hull

I am currently the Patient Care Manager at University Pediatrics. I love being able to work closely with our special needs and medically complex children and their families. I started this role in October 2016, after working for two years as a nurse in the Pulmonology and Endocrinology clinics at Hillcrest. Prior to my employment at UICOMP, I worked in inpatient and outpatient child and adolescent psychiatric nursing. I graduated from Methodist College of Nursing with my BSN and also have a BS in Sociology from ISU.

Outside of the office, I enjoy spending time with family, friends and my dog, traveling, attending musical concerts, movies, and gardening. Recently, my husband and I have taken on some home improvement projects, which have been both challenging and rewarding. I also like to cook and have get-togethers with close friends and family.

This is my first year on the CSEC council and in my role as CSEC Secretary. I have always enjoyed the many activities that CSEC organizes and look forward to being able to contribute to the council.

## *Community Chest*

The **Community Chest** is a fund that supports civil service staff members facing any kind of hardship. You may nominate yourself or a co-worker by sending a confidential email request to Diana [csec@uic.edu](mailto:csec@uic.edu). If we can help pay your electric bill or buy the tire that blew because all your money has gone to medical bills, for example, then the fund can assist.

## *You Have a CSEC Representative*

If you are a Civil Service employee at UICOMP, you have a representative on the Council. We are interested to know how we may serve you. That's why CSEC exists. If you're not sure who your rep is, contact Stephanie Hull, [slhull@uic.edu](mailto:slhull@uic.edu) to learn the name. We look forward to working with you!
