ALL CLASSES

- a. You can think of a **class** as the actual session that took place during a time of day (i.e. ENG101 at 9:00AM).
7. When in the **Classes** view, you can click on the related content for that class. (i.e. PowerPoint presentation or video/recording).
 8. Click the green button to view the related content for the class. 

For official documentation please see the Echo help page here:
