

ADDING M-2 CALENDAR TO YOUR IPHONE CALENDAR

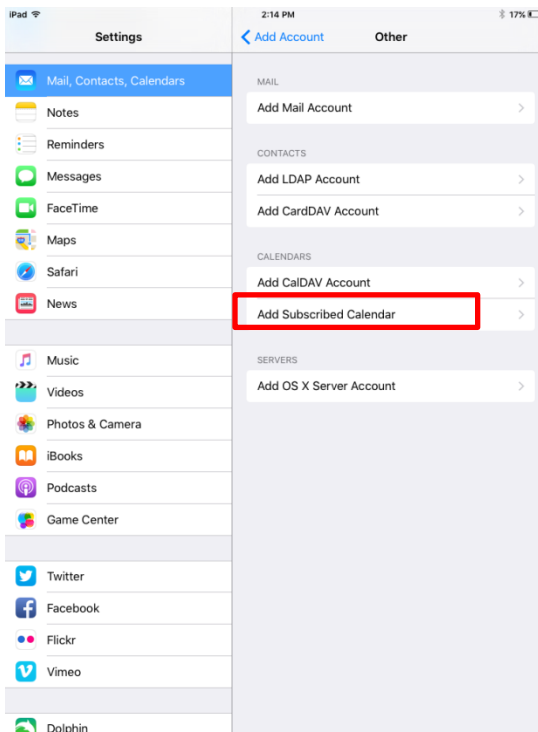

1. Go to settings
 - a. Tap Mail, Contacts, and Calendar
 - b. Tap Add Account

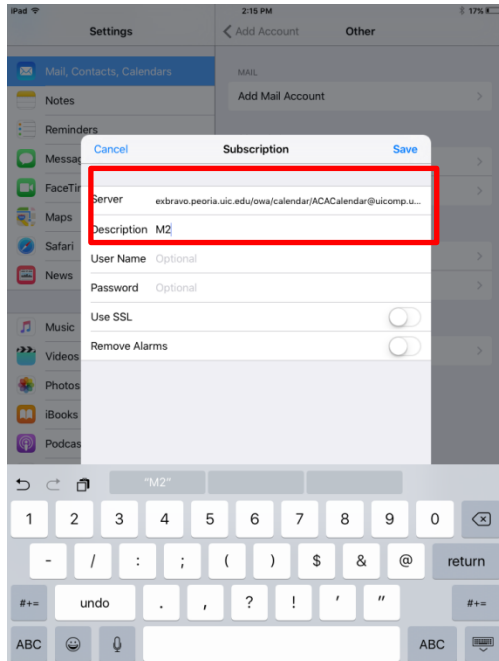

c. Tap Other

d. Tap Subscribed Calendar

- e. In the Server field type the following: <https://outlook.office365.com/owa/calendar/f33eef557b84feb8b58ba8292216dbf@uic.edu/253b05463e5c41e4bd471f50e77cc9246812822661296023375/calendar.ics>

- f. Give the Calendar an Appropriate description
g. Click Save
2. Open the Calendar App
- a. Tap Calendars at the bottom of the screen
b. Confirm that the Subscribed calendar is active.

You should start seeing the events from the M2 calendar populating your iOS calendar.
