

The Twelfth Annual
Breast Cancer Symposium

Thursday, October 3
7:00 am to 4:30 pm

Friday, October 4
7:00 am to 12:00 pm

2019

Presented by

Physicians • Physician Assistants • Advanced Practice Nurses • Nurses
Surgical Technologists • Radiologic Technologists • Medical Office Staff
Occupational and Physical Therapists • Certified Medical Dosimetrists
Certified Tumor Registrars • Psychologists • Social Workers

We Invite You To Attend!

Located at

**Holiday Inn & Suites
Peoria at Grand Prairie**
7601 North Orange Prairie Road
Peoria IL 61615

Your 2019 Symposium Co-Chairs

Denise M. Mammolito, MD

Assistant Professor of Clinical Surgery, University of Illinois College of Medicine at Peoria

John D. Murray, MD

Clinical Associate Professor of Surgery, University of Illinois College of Medicine at Peoria

Associate Professor of Surgery, Chief, Division of Plastic Surgery, Department of Surgery
University of Florida College of Medicine Jacksonville

Register online at:

peoria.medicine.uic.edu/bcs | **REGISTRATION OPENS JULY 1, 2019**

PROGRAM: DAY 1 • THURSDAY, OCTOBER 3, 2019

6:45 a.m.	Registration and Breakfast	SESSION III
7:45 a.m.	Welcome and Introduction -DENISE MAMMOLITO, MD	1:00 p.m. "Breast Density Laws and How They Affect Facilities ELLEN MENDELSON, MD, FACR, FSBI, FSRU Professor Emeritus, Radiology Northwestern University Feinberg School of Medicine
8:00 a.m.	SESSION I "The Role of Artificial Intelligence in Obtaining Useful Data from the Electronic Health Record" KEVIN HUGHES, MD, FACS Co-Director, Avon Comprehensive Breast Evaluation Center Professor of Surgery, Harvard Medical School Medical Director, Bermuda Cancer Genetics and Risk Assessment Clinic	1:30 p.m. "Supplemental Screening for the Woman with Dense Breasts" ELLEN MENDELSON, MD, FACR, FSBI, FSRU Professor Emeritus, Radiology Northwestern University Feinberg School of Medicine
8:30 a.m.	"What's New in Cancer Genetic Testing: What Problem Are We Trying to Solve?" KEVIN HUGHES, MD, FACS Co-Director, Avon Comprehensive Breast Evaluation Center Professor of Surgery, Harvard Medical School Medical Director, Bermuda Cancer Genetics and Risk Assessment Clinic	2:00 p.m. Question/Answer Session 2:15 p.m. Break and Exhibit Session
9:00 a.m.	"Breast Cancer Mutations Other Than BRCA" MICHELE SETTELMYER, APN, MSN OSF Centers for Breast Health Risk Assessment Program	SESSION IV 2:30 p.m. "Clinical Case Review" ELIZABETH BAUER-MARSH, MD Clinical Assistant Professor of Pathology, UICOMP President, Peoria Tazewell Pathology Group Laboratory Director, UnityPoint Health - Methodist JESSICA A. GUINGRICH, MD Clinical Associate Professor of Radiology, UICOMP Central IL Radiological Associates, Ltd. NGUYET A. LE-LINDQWISTER, MD Clinical Assistant Professor of Medicine, UICOMP Illinois CancerCare, P.C.
9:30 a.m.	Question/Answer Session	DENISE M. MAMMOLITO, MD Assistant Professor of Clinical Surgery, UICOMP Peoria Surgical Group, Ltd. MACKENZIE MCGEE, MD Clinical Assistant Professor of Radiology, UICOMP OSF Saint Francis Medical Center Assistant Professor of Radiation Oncology Loyola University Chicago, Stritch School of Medicine
9:45 a.m.	Break and Exhibit Session	JOHN K. MILLER, MD Clinical Assistant Professor of Family & Community Medicine, UICOMP UnityPoint Health - Methodist JOHN D. MURRAY, MD, FACS Clinical Associate Professor of Surgery, UICOMP Associate Professor of Surgery, Chief Division of Plastic Surgery, Department of Surgery University of Florida College of Medicine Jacksonville MINDY THOMPSON, RN, BSN, OCN Breast Health Navigator OSF Centers for Breast Health
10:00 a.m.	SESSION II "Frontiers in Breast Reconstruction: Innervation of Reconstructions and the reSensation Now Trial" GALEN PERDIKIS, MD, FACS Chair and Professor of Surgery Department of Plastic Surgery Vanderbilt University Medical Center	3:30 p.m. "Survivorship Issues" RHONDA JOHNSON, PhD Director Psycho-Oncology, Cancer Support and Oncology, OSF Healthcare Visiting Associate Professor, University of Illinois College of Medicine Peoria
10:30 a.m.	"Reirradiation with Various Modalities" JOSHUA DILWORTH, MD, PhD Assistant Professor, Department of Radiation Oncology Oakland University, William Beaumont School of Medicine Beaumont Hospital - Royal Oak, MI	4:00 p.m. Question/Answer Session 4:15 p.m. Day One Closing Remarks - DENISE MAMMOLITO, MD
11:00 a.m.	"Privacy, Disclosure, and Medical Certification" MONICA BRYANT, Esq Cancer Rights Attorney, Speaker, and Author Co-Founder and Chief Operating Officer, Triage Cancer Adjunct Law Professor, John Marshall School of Law, Chicago	
11:45 a.m.	Question/Answer Session	
12:00 p.m.	LUNCH	

PROGRAM: DAY 2 • FRIDAY, OCTOBER 4, 2019

6:45 a.m. **Registration and Breakfast**
7:30 a.m. **Welcome and Introduction – JOHN D. MURRAY, MD, FACS**

SESSION V

7:45 a.m. **“Financial Toxicity in Cancer Care”**
DANIEL SHERMAN, MA, LPC
Financial Navigator, Lacks Cancer Center, Grand Rapids, MI
President and Founder, The NaVectis Group

8:30 a.m. **“Lymphedema from Prevention to Treatment in 2019”**
ATILLA SORAN, MD, MPH, FNCBC, FACS
Professor of Clinical Surgery, Division of Surgical Oncology
Director, Breast Disease Clinical Research Program
Director, International Breast Fellowship Program
Director, Comprehensive Lymphedema Center
Magee-Womens Hospital, University of Pittsburgh Medical Center

9:00 a.m. **“Creating a Diagnostic Safety Net: What Pathologists Need to Know About Your Patient”**
SUSAN LESTER, MD, PhD
Chief, Breast Pathology Brigham and Women’s Hospital
Assistant Professor, Harvard Medical School
Associate Pathologist, Breast Pathology Services

9:30 a.m. **Question and Answer Session**
9:45 a.m. **Break and Exhibit Session**

SESSION VI

10:00 a.m. **“Breast Cancer Screening in the Elderly Patient”**
HOLLY N. MARSHALL, MD
Assistant Professor of Radiology, Case Western Reserve University
Director of Medical Student Education, Department of Radiology,
University Hospitals Cleveland Medical Center

10:30 a.m. **“A Discussion on Implementing Abbreviated MRI as a Supplemental Screening Tool, for Women with Dense Breasts, in a Clinical Breast Practice”**
HOLLY N. MARSHALL, MD
Assistant Professor of Radiology, Case Western Reserve University
Director of Medical Student Education, Department of Radiology,
University Hospitals Cleveland Medical Center

11:00 a.m. **“Optimal Adjuvant Therapy in Young Women”**
CYNTHIA MA, MD, PhD
Professor, Department of Medicine, Division of Oncology, Section of Medical Oncology
Washington University School of Medicine in St. Louis

11:30 a.m. **“Clinical Trials Available for Breast Cancer Patients”**
Nadia Rehman, MD
Medical Oncologist
Illinois CancerCare, P.C.

12:00 p.m. **Question and Answer Session**
12:15 p.m. **Closing Remarks - JOHN D. MURRAY, MD, FACS**

It is the policy of the University of Illinois College of Medicine that faculty and providers disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved drugs or devices during their presentation(s). The University of Illinois College Of Medicine has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity.

General Information

Intended Audience

Physicians, physician assistants, advanced practice nurses, nurses, surgical technologists, radiologic technologists, social workers, psychologists, occupational and physical therapists, certified medical dosimetrists, certified tumor registrars, and medical office staff in all specialties.

Program Overview

The sole objective of this symposium is to educate all physicians and healthcare personnel regarding the current diagnosis, staging, and treatment of breast cancer in a comprehensive, multidisciplinary fashion.

Through this CME activity, the participant should better understand theories and facts related to the development of breast cancer, current imaging and diagnostic modalities, surgical treatment, adjuvant therapies of chemotherapy and radiation, breast reconstruction, and managing patients with breast cancer. This activity will also educate the participants about breast cancer from a multidisciplinary approach. This symposium hopes to help physicians and healthcare personnel reach a better understanding related to all aspects of breast cancer and how we all may contribute to help individuals overcome this disease while maximizing quality of life.

Educational Objectives

Determine the process of information gleaned through a machine-learning model.

Define the accuracy of this model.

Compare the benefit of gathering information with this method over other methods.

Identify the problem of under-utilization of genetic testing and the consequences of this.

List the barriers to genetic testing for the general population.

Cite solutions to these barriers.

List non-BRCA breast cancer mutations.

Differentiate between acquired and hereditary gene mutations.

Indicate how gene mutations cause breast cancer.

Specify indications for ReSensation of the breast.

Identify criteria for use of ReSensation during breast reconstruction.

Discuss candidates for ReSensation.

Cite current status of the use of re-irradiation for locally recurrent breast cancer.

Indicate uses for re-irradiation with breast conserving therapy as an alternative approach to mastectomy for local recurrence.

Explain the various modalities used in repeat radiation of the breast.

Identify privacy issues in relation to medical care of the breast cancer patient.

Cite reasons for privacy disclosures and how they affect treatment decisions and medical certifications.

Identify what qualifies as a dense breast, the rationale behind breast density laws, how they affect healthcare providers and institutions.

Integrate resources available to alleviate financial distress during cancer treatment.

Identify the candidate for dense breast screening and the appropriate workup for this candidate.

Summarize the importance of a multi-disciplinary approach to breast cancer.

Define survivorship and list long-term and short-term emotional effects of breast cancer treatment.

Cite resources for survivors.

Indicate causes of lymphedema and new technology related to the diagnosis and treatment of breast cancer surgery related lymphedema.

Indicate instances of diagnostic miscommunication and solutions to them.

Discuss benefits and risks of screening older women with mammography.

Describe current policy and guidelines for screening in the older woman.

Describe Fast MRI as a tool in additional screening of women with dense breasts.

Indicate implementation of a Fast MRI program in a clinical breast practice.

List types of adjuvant therapy available for young women and indicate the risks vs. the benefits of it for young women with breast cancer.

Cite clinical trials that are available to local breast cancer patients for participation. Indicate eligibility for clinical trials.

Registration Fees

All fees include registration, educational materials and instruction, CME and CE recording, continental breakfast, refreshment break, and lunch.

Symposium Location and Parking

The Holiday Inn and Suites Peoria at Grand Prairie is located at 7601 N. Orange Prairie Rd., Peoria, IL 61615, just north of the Shoppes at Grand Prairie and with easy access to I-74. Complimentary Daily Self-Parking is available.

Enjoy their complimentary parking located near the entrances and exits as well surrounding the hotel.

Lodging

Hotel reservations must be made separate from registration. A list of Peoria area hotels offering special block rates are posted on our webpage at peoria.medicine.uic.edu/bcs.

Air Travel

The Peoria area is served by Allegiant Air, American, Delta, and United Express through the Peoria International Airport (309-697-8272). Commercial limousine or taxi service is available from the airport. The Peoria International Airport is available for use by private aircraft through Byerly Aviation or through the Mt. Hawley Airport.

Accreditation and Credit Designation Statements

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint sponsorship of the University of Illinois at Chicago (UIC) College of Medicine and The Susan G. Komen Memorial Affiliate. The University of Illinois at Chicago (UIC) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Illinois at Chicago (UIC) College of Medicine designates this educational activity for a maximum of **11.00 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Family Physicians: This activity, Twelfth Annual Breast Cancer Symposium, 2019, with a beginning date of October 3, 2019 has been reviewed and is acceptable for up to **11.00** prescribed credits by the American Academy of Family Physicians.

Physician Assistants: AAPA accepts AMA PRA Category 1 credit from organizations accredited by the ACCME.

APN/RN/LPN: AMA PRA Category 1 credit from organizations accredited by the ACCME meet Illinois continuing education requirements for re-licensure. **11.00 AMA PRA Category 1 Credit(s)**[™] (Note: 1 CME = 1 contact hour)

Certified Medical Dosimetrist: **9.00** CME hours.

Certified Tumor Registrar: Program supports **9.25 CE hours** of which **0.5 CE hours** meet the *Category A* requirement, and has been assigned the following event number: **2019-119**.

Occupational and Physical Therapists: This activity is being offered in cooperation with the Rehabilitation Services at OSF Healthcare, 6501 N. Sheridan Rd., Peoria IL 61614, Illinois Department of

Professional Regulation approved CE Sponsor - **11.00** CE (two day attendance) for the following professions:

Occupational Therapy – CE Sponsor License # 224-000011

Physical Therapy – CE Sponsor License # 216-000024

Radiologic Technologists: The Illinois Emergency Management Agency (IEMA) has approved this activity for **12.50** Category A continuing education credit(s) for medical technologists. (This CME approval meets ARRT requirements as well as MQSA credits for mammographers and mammography technicians.)

Surgical Technologists and First Assistants: This continuing education activity is approved for **11.00** CE credits by the Association of Surgical Technologists, Inc., for continuing education for the Certified Surgical Technologist (CST) and Certified Surgical First Assistant (CSFA). This recognition does not imply that AST approves or endorses any product or products that are included in presentations.

Certification of completion/credit will be e-mailed or mailed to participants upon completion of record of attendance forms.

A sincere Thank You to donors!
