Each year, UICOMP recognizes the staff of the college with a week-long celebration, filled with fun, small gifts and banquet—**The Staff Appreciation Week (SAW)**. This year is special as we also celebrate UICOMP's 50th anniversary. We all have an opportunity to share our appreciation for one another (in the SAW Program); nominate special employees for recognition!

The 2020 **Staff Appreciation Week** has been set for April 13-17. Please hold the date of Tuesday evening, April 14 for the SAW Banquet. Each staff member (and spouse/significant other) is invited to attend. The SAW week events are sponsored by the CSEC (Civil Service Employee Council), and many staff have a hand in the events. Mark your calendars!

Nominations are now being accepted for *The Rose Award*.

This Rose Award, given at the SAW Banquet, is a special award given in the name of Rose Bacon, a former employee at UICOMP who embodied kindness and warmth, every day. (To read more about Rose, click on the website link below.) Employees nominated for this award should have a positive attitude, courage in the midst of adversity, humility, friendliness, selflessness, and work to spread cheer and warmth throughout every workday. To nominate an employee who you believe embodies these qualities, follow the instructions on the Rose instructions on the award nomination form [here](#) and submit to the Civil Service Employees Council by the end of the day on **March 2, 2020**, either via email at CSEC@uic.edu or dfarrar@uic.edu or In-House mail to CSEC, Attn: Rose Award.

Remember: The letter describing your nominee will be the **only** source of information with which the council will vote. *You may not include the nominee's name, department, or title in the body of the letter*, so be sure to take your time to communicate the nominee's unique qualities.

This 'N' That

Lucky Charms are coming in March!

The Community Chest is a fund that supports civil service staff members facing a financial hardship. Email Stephanie shull@uic.edu to nominate yourself or a coworker.

“Class Act”: Recognize a coworker who has gone above and beyond to help you with a work project or has done something to make your day. Your note of appreciation will be published in this newsletter and they will receive a certificate. Send the details of why they are a “Class Act” to Stephanie shull@uic.edu.

DID YOU KNOW? When you buy a bag of popcorn from the CSEC, for just 50¢ a bag, you have a delicious popcorn treat AND help raise funds for a good cause!

AND DID YOU KNOW... You can donate clothing and canned food any time to the Southside Mission by bringing them to the bin near the loading ramp of the building? The Mission has reached out to our city for 95 years, serving people in one of the poorest areas in America in loving ways that provide opportunity for positive change. Donations provide shelter for the homeless, food for the hungry, tutoring and camps for at-risk children. UICOMP has partnered with the Mission for over 15 years. Questions? Email Diana, dfarrar@uic.edu.

Items especially needed at this time: Socks, hats and gloves.
