

University of Illinois College of Medicine - Peoria Campus - Rooms and Resources (ALL)

<u>Building - Room#</u>	<u>Room Type</u>	<u>Capacity</u>	<u>Technology</u>	<u>Uses/Seating/Layout</u>
<u>A-Wing - 1st Floor</u>				
A100-1	Lecture Hall	70 *	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Classes: *70 students + 3 lecturers Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {has fixed tables surfaces to the floor on different tier levels; instructors section on the ground level and movable, 3 entrances/exits}
A100-2	Classroom	40 *	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Classes: *40 students + 2 lecturers Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {room has 12 small tables and chairs that can be moved around: U-shape set up (30 seats), 4 rows w/ tables (40 seats), theater style r
A100-3	Classroom	70 *	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Classes: *70 students + 3 lecturers Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Tables are locked into the walls under the monitors; chairs, instructor section, and center table are movable; 2 entrances/exits}
A107-C	Computer Lab	40 *	Laptop Lab + Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Classes: 40 students + 2 lecturers Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {fixed tables; chairs, instructors section, and one table under monitor are moveable; 2 entrances/exits (1 is through A100-2)}
A109	Conference	12	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Conferences/Events (*see reservation process); Open to Student Study (First-Come-First-Served) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 4 individuals with social 6ft distancing}
A110-B	Small Room	3	None	General: ACA Priority, Faculty/Staff for Conferences (*see reservation process); No Student Reservations Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A110-C	Small Room	3	None	General: ACA Priority, Faculty/Staff for Conferences (*see reservation process); No Student Reservations Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A115	Conference	10	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Conferences/Events (*see reservation process); No Student Reservations Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 4 individuals with social 6ft distancing}
A116	Conference	8	Multimedia Presentation	General: Admin Affairs Priority, Faculty/Staff for Conferences (*see reservation process); No Student Reservations Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 2 individuals with social 6ft distancing}
A118	Video Conference	10	Multimedia Presentation + Polycom	General: Faculty/Staff for Conferences; Student Events Reservations (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 2 individuals with social 6ft distancing}
A118-C	Study Room	8	None	General: Student Computing Space (no reservations) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {no door, printing station, high touch area, Poor Wireless Connection, Need Ethernet Cable}
A118-B	Study Room	8	Multimedia Presentation	General: Faculty/Staff Curricular needs (*see reservation process); Open for Students (First-Come First Served) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Poor Wireless Connection, Need Ethernet Cable}
A118-D	Study Room	8	Multimedia Presentation	General: Faculty/Staff Curricular needs (*see reservation process); Open for Students (First-Come First Served) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Poor Wireless Connection, Need Ethernet Cable}
A118-E	Study Room	7	Multimedia Presentation	General: Faculty/Staff Curricular needs (*see reservation process); Open for Students (First-Come-First Served) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Poor Wireless Connection, Need Ethernet Cable}
<u>C-Wing - 1st Floor</u>				
C114	Conference	12	Integrated Video Conferencing + Multimedia Presentation	General: CBP Priority, Faculty/Staff for Conferences (Approved by CBP); No Student Reservations (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 3 individuals with social 6ft distancing}
<u>A-Wing - 2nd Floor</u>				
A200-A	Classroom	60 *	Integrated Video Conferencing + Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Classes: *60 students + 2 lecturers Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Tables locked into the walls under the monitors; chairs, instructor section, and center table are movable; 2 entrances/exits}
A200-B	Small Group	11	Multimedia Presentation	General: Faculty/Staff for Conferences/Events; Student Events Reservations (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into A200-C allowing extra 5 individuals}
A200-C	Small Group	11	Multimedia Presentation	General: Faculty/Staff for Conferences/Events; Student Events Reservations (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into A200-B allowing extra 5 individuals}
A208	Rager Lab/Clinic Space	45	Laptops	General: DoCs Priority; Faculty/Staff for Instruction/Conferences/Events; Student Events by Reservation (*see reservation process) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {Exam Room #1-7 = limit 3 individuals per Exam room / Small Private Enclosed A208B & A208C = limit 3 individuals per room/ Open Area High Tables by Entrance = Limit 4 individuals per table}
A209	Small Group	14	Multimedia Presentation	General: Faculty/Staff for Conferences/Events; Open for Student Reservation (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open 24/7 for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 2 individuals with social 6ft distancing}

A210	Small Group	10	Integrated Video Conferencing + Multimedia Presentation	General: Priority for Nursing; Faculty/Staff for Conferences and Events; Open for Student Reservation (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 4 individuals with social 6ft distancing}
A211	Computer Lab	20	Laptop Lab + Multimedia Presentation	General: Faculty/Staff for Instruction; Open for Student Reservations (*see reservation process) Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {tables and chairs are moveable}
A215	Classroom/Small Group	14	Multimedia Presentation	General: Faculty/Staff for Conferences/Small Groups; Open for Student Event Reservations (*see reservation process) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 5 individuals with social 6ft distancing}
A222	Study Room	UNDER CONSTRUC TION	None	General: Faculty/Staff for Conferences/Small Groups (*see reservation process); Open to Students (First-Come-First-Served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 3 individuals with social 6ft distancing}
A223	Study Room	UNDER CONSTRUC TION	None	General: Faculty/Staff for Conferences (*see reservation process); Open to Students (First-Come-First-Served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open 24/7 for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A224	Study Room	UNDER CONSTRUC TION	None	General: Faculty/Staff for Conferences (*see reservation process); Open to Students (First-Come-First-Served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open 24/7 for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing }
A226-A	Study Room	UNDER CONSTRUC TION	None	General: Faculty/Staff for Conferences (*see reservation process); Open to Students (First-Come-First-Served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A226-B	Study Room	UNDER CONSTRUC TION	None	General: Faculty/Staff for Conferences (*see reservation process); Open to Students (First-Come-First-Served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
B-Wing - 2nd Floor				
B216	Conference	8	Multimedia Presentation	General: HSE Priority; Faculty/Staff for Conferences/Small Groups (*see reservation process); No Student Reservations Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 4 individuals with social 6ft distancing}
B221	Anatomy Classroom	35 *	Multimedia Presentation + VR Lab	General: Faculty/Staff for Instruction/Conferences/Events; Open to Students by Reservation (*see reservation process) Classes: *35 students + 2 lecturers Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use *special wipe down of equipment. See special instruction by department {restriction of 2 around Anatomage Table; special spacing for virtual goggles system use needed}
B223	Anatomy Lab	40 *	Multimedia Presentation	General: Faculty/Staff for Instruction/Conferences/Events; Open to Students by Reservation (*see reservation process) Classes: *40 students + 2 lecturers Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for all uses (*see Priorities List) - Follow cleaning instructions in room before and after use *Special PPE required: mask, face shields, eye protections, lab coats. See special instruction by department {Restriction of 2 students per cadaver table; 4 Lecturers allowed wandering/observation of students}
B228	Pathology Room / Microscope Lab	35 *	Multimedia Presentation	General: Open to Faculty/Staff (*see reservation process); No Student Reservations Classes: *35 students + 1 lecturer Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for Fall classes (*see Priorities List) - Follow cleaning instructions in room before and after use {Restriction of 1 students per Microscope station = 35 stations}
B230	Pathology Room / Gross Specimen Lab	35 *	None	General: Open to Faculty/Staff (*see reservation process); No Student Reservations Classes: *35 students + 1 lecturer Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open for Fall classes (*see Priorities List) - Follow cleaning instructions in room before and after use {Restriction of 2 students per table = 16 tables}
Library - 2nd Floor				
A214-F	Study Room	3	None	General: Student Study Space (first-come first-served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A214-G	Study Room	3	None	General: Student Study Space (first-come first-served) Testing: No Testing in this room (*see "Testing Rooms" PDF on Testing Website) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 1 individuals with social 6ft distancing}
A214-C	Learning Lab	25	Multimedia Presentation	General: Open to students, faculty, staff, residents; Curriculum-based instructional sessions ONLY by reservation (*see reservation proc Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {the room square footage only allow 14 individuals with social 6ft distancing}
Cullinan	Study Room	6	Integrated Video Conferencing + Multimedia Presentation	General: Student Study Space (first-come first-served); Curriculum-based instructional sessions by reservation (*see reservation proc Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into Faculty & Staff allowing 4 individual max; Facilities work order required}
Faculty & Staff	Study Room	6	Multimedia Presentation	General: Student Study Space (first-come first-served); Curriculum-based instructional sessions by reservation (*see reservation proc Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into Cullinan allowing 4 individual max; Facilities work order required}
Campbell	Study Room	6	Multimedia Presentation	General: Student Study Space (first-come first-served); Curriculum-based instructional sessions by reservation (*see reservation proc Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into Henderson allowing 4 individual max; Facilities work order required}
Henderson	Study Room	6	Multimedia Presentation	General: Student Study Space (first-come first-served); Curriculum-based instructional sessions by reservation (*see reservation proc Testing: Approved for Testing (*see "Testing Rooms" PDF on Testing Website for capacity) COVID-19 Room Status: Open 24/7 for iCard holders (*see Priorities List) - Follow cleaning instructions in room before and after use {Room has dividing wall that can be opened into Campbell allowing 4 individual max; Facilities work order required}
